This agreement is between PupSavers.org and _____ hereafter referred to as the foster family. This agreement shall remain in effect for one year unless otherwise noted.

I, the foster family, agree and understand that the dog(s) are the sole property of PupSavers.org and PupSavers.org reserves the right to remove the dog(s) at any time. I agree to return the dog(s) upon request, or if I am no longer able to care for them.

I agree to provide the dog(s) with care, including food, water, shelter, exercise and medication when required.

I agree to allow the dog(s) to be available, with a reasonable amount of notice, for viewing by potential adopters. I also understand that, if necessary, PupSavers.org may inspect the area in which the foster dog(s) are kept in the home at any time. In the event of an emergency, I will allow PupSavers.org to an immediate inspection due to natural disaster, fire, suspected illness, endangerment or abuse.

I understand that medical treatment will be provided by a veterinarian contracted by PupSavers.org. Any medical expenses from any other veterinarian not contracted by PupSavers.org will **NOT** be reimbursed. In the event of an emergency, PupSavers.org or Clear Creek Animal Hospital must be contacted before any action is taken.

I understand that PupSavers.org will not be held responsible for any damage to persons, other dogs, or property, done by the foster dog(s) while in my care. I agree to indemnify and hold harmless PupSavers.org, its officers and assigns, any previous owner, foster home or shelter, from any and all liability associated with the dog(s) or damage or injury hereafter caused by the dog(s).

I agree I have read and understand, accept and agree to abide, to the terms and conditions of this puppy foster home contract.

I understand that my foster home position can be terminated at any time if my actions or conduct are deemed detrimental to the best interests of puppies placed by PupSavers.org.
